

FAITH & CO: MASTER CONTENT BLUEPRINT

1:1 Institutional Structure & Technical Component Extraction

Direct Order for Antigravity: Mirror the Homes of Heaven architecture. Every section below defines a specific UI Component (Grid, Step, or Card) and the mandatory technical text. No generic intro paragraphs. Jump straight into these boxes.

OUR SERVICES

HMO Management

Pattern: 3-Step Process + 8-Tile Service Grid

STEP 1: FREE HMO ASSESSMENT

No-obligation assessment of the HMO's condition, room configuration, and rental potential.

STEP 2: FORMAL LEASE AGREEMENT

Faith & Co becomes the corporate tenant, assuming all legal and financial responsibility for the rent.

STEP 3: FULL MANAGEMENT

Vetting professional tenants, handling day-to-day operations, maintenance, and tenant relations.

GRID: STRICT TENANT VETTING

Multi-stage referencing and background checks for all occupants.

GRID: UTILITY MANAGEMENT

All utility bills, council tax, and broadband managed internally.

GRID: WEEKLY INSPECTIONS

Scheduled communal area inspections and professional cleaning.

GRID: REGULATORY COMPLIANCE

HMO licensing, fire safety, and environmental health standards maintained.

Residential Lettings

Pattern: Dual-Option Comparison Cards

OPTION 01: TENANT-FIND ONLY

Professional marketing, viewings, vetting, and tenancy agreement. Management remains with the landlord.

OPTION 02: FULL MANAGEMENT

Includes everything in Option 01 plus rent collection, maintenance coordination, and routine inspections.

SERVICE ACCOMMODATION

Short Term Let Management

Pattern: 6-Tile Hospitality Grid

MULTI-PLATFORM MARKETING

Optimized listings across Airbnb, Booking.com, and Expedia.

DYNAMIC PRICING

AI-driven pricing models to maximize nightly rates based on demand.

PROFESSIONAL HOUSEKEEPING

Hotel-standard cleaning and linen services after every stay.

24/7 GUEST SUPPORT

Round-the-clock communication and emergency response for guests.

LANDLORDS

Maintenance & Repairs Guide

Pattern: Process Ledger

PROACTIVE MAINTENANCE

Identifying issues early to prevent costly long-term repairs.

VETTED CONTRACTORS

Access to a network of certified tradespeople at trade rates.

COMPLIANCE CHECKS

Annual Gas Safety (CP12), EICR, and Fire Risk Assessments managed.

Supportive Living & Social Housing

Pattern: Mission Grid

COUNCIL PARTNERSHIPS

Working with local authorities to provide housing for vulnerable individuals.

LONG-TERM LEASES

Secure 3 to 5-year lease agreements with guaranteed income.

ASSET PRESERVATION

Regular property monitoring to ensure high standards are maintained.
